## **MISSION STATEMENT**

The Friends of San Jose Family Camp is a volunteer organization dedicated to providing and preserving a quality, family oriented Sierra camping experience.

The Friends of San Jose Family Camp primary goal is the sustainability of camp. We assist financially, physically and through public advocacy the operations and continued development of the camp. The camp is in a safe and serene environment where family and friends, young and young at heart, can relax and experience the beauty of nature in the beautiful Sierras. The camp is a unique camping experience where you stay in wood framed canvas tents, have three meals day, can join in structured activities for the kids, go swimming, fishing or just roaming meeting old friends or making new acquaintances.

Your involvement will make a difference as we work to make San Jose Family Camp an enriching experience for all.

Contributions to the Friends of San Jose Family Camp are tax deductible. Join the Friends! We hope to see you soon.
